Foreword

After six thousand years of recorded history, our people finally have a religion of, for, and by, them. CREATIVITY is that religion. It is established for the Survival, Expansion, and Advancement of our White Race exclusively. Indeed, we believe that what is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin.

We have come to hold these views by observing the Eternal Laws of Nature, by studying History, and by using the Logic and Common Sense everyone is born with: the highest Law of Nature is the survival of one's own kind; history has shown us that the White Race is responsible for all that which we call progress on this earth; and that it is therefore logical and sensible to place supreme importance upon Race and to reject all ideas which fail to do so. No species on earth besides the currently misguided White people willingly aid other species at its own expense.

Our people have faced threats throughout history, but never before have our people faced as grave a threat as it is facing today. Today, our people's very continued biological existence on this planet is in doubt. In 1920 for example, one out of every three people on this planet were White. Today, only one out of every twelve are White. If present trends continue, one can only imagine what the complexion of the world will be like in another one hundred years.

How did this calamity come about? It came about because of our people's skewed thinking. Our people have thus far been concerned with every issue besides the issue of their own survival. We have subsidized those not of our own kind at our expense, causing their numbers to soar, while at the same time, White people have scaled back the size of their families, either out of selfishness or because of low-paying salaries and exorbitant taxes. We have divided ourselves into all kinds of organizations and causes, none of whom address the most basic issue: Will White children have a future? With CREATIVITY, this is the issue, and all other issues revolve around it.

Our people everywhere are beginning to embrace the dynamic and inspiring creed and program of CREATIVITY. White people everywhere are beginning to put aside their past differences and divisions and are coming together as one people for their best interests. More and more of our people are beginning to realize that if White people do not look out for their own future, no other people will. As a result, our churches are sprouting up all over the world, our ministers preaching the word of White unity and our members zealously spreading the word to you, our fellow White people. We hope that after reading this, you will decide to obtain more information, will consequently decide to become a Creator, and will decide to join us in this historic struggle.

We Creators call upon you to join with us today, to do what is right for your family and for your extended family – your Race. If you act, you will be ensuring a future of beauty and happiness; if you do not, there will be a future of darkness and sadness. We have the capability to make sure that every child has a smile on his or her face. Let's not miss the moment. Generations yet unborn are counting on you.

What We Believe in

1. WE BELIEVE in the Eternal Laws of Nature as revealed through science, history, logic and common sense.

2. WE BELIEVE that the highest Law of Nature is the survival of our species by ALL MEANS AND AT ALL COSTS.

3. WE BELIEVE that our Race is our Religion.

4. WE BELIEVE that Racial Loyalty is the greatest of all honors, and racial treason is the worst of all crimes.

5. WE BELIEVE that what is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin.

6. WE BELIEVE that the White Race is the finest and noblest creation of Nature.

7. WE BELIEVE that CREATIVITY is the essence of the White Racial Soul.

8. WE BELIEVE that the White Race is and always has been the originator and Creator of all worthwhile Culture and Civilization.

9. WE BELIEVE that without the White Race any worthwhile Culture and Civilization are impossible.

10. WE BELIEVE that for the White Race to survive, expand, and advance we need first of all a REVOLUTION OF VALUES THROUGH RELIGION; therefore we completely and categorically reject the Judeo - Christian - Democratic - Marxist - Liberal - Feminist values of today, and supplant them with new and basic values, of which RACE IS THE FOUNDATION.

11. WE BELIEVE that Jew-spawned Christianity is the deadly mind poison which destroyed the glorious White Roman Civilization and is currently destroying all of the White Race; therefore Christianity must be exposed, defeated and eliminated in order to save the White Race.

12. WE BELIEVE that the one and only, true and revolutionary White Racial Religion – CREATIVITY – is in every conceivable way far more logical, consistent, comprehensive, meaningful and inspiring than all other religions, ideologies and political parties combined; therefore we strive that it eventually replace all other religions, ideologies and parties, barring none.

13. WE BELIEVE in the unity of our White Racial Religion with our White Racial State.

14. WE BELIEVE in the total unification of the White Race on the basis of one Racial Religion (CREATIVITY) and one Racial Language (Latin) in a worldwide White Racial

Community.

15. WE BELIEVE that the one and only, true and revolutionary White Racial Religion – CREATIVITY – has the potential of not only leading the White People to a worldwide victory, but also guiding them onward for the next million years towards a New White Renaissance, a Whiter and Brighter World, and a Glorious Era of the White Superman.

16. WE BELIEVE that the White Race, its Biological and Cultural Heritage, is now under attack by our mortal racial enemies: Jews, niggers and the mud races.

17. WE BELIEVE that, due to the Jew-instigated demographic explosion of the mud races, we must (as a matter of life or death!) not only start, but also win the worldwide White Racial Holy War within this generation.

18. WE BELIEVE that RAHOWA (RAcial HOly WAr), under the victorious flag of the one and only, true and revolutionary White Racial Religion – CREATIVITY – is the only road to the resurrection and redemption of the White Race.

The Five Fundamental Beliefs of Creativity

To be memorized and repeated as a sacred religious ritual by every Creator daily.

Based on the Eternal Laws of Nature, History, Logic and Common Sense we Creators believe:

1. WE BELIEVE that our Race is our Religion.

2. WE BELIEVE that the White Race is Nature's Finest.

3. WE BELIEVE that Racial Loyalty is the greatest of all honors, and racial treason is the worst of all crimes.

4. WE BELIEVE that what is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin.

5. WE BELIEVE that the one and only, true and revolutionary White Racial Religion – CREATIVITY – is the only salvation for the White Race.

To the fulfillment of these Religious Beliefs we Creators forever pledge our Lives, Our Sacred Honor and our Religious Zeal.

RAHOWA!
TOTAL WHITE VICTORY!

The Essence of a Creator

1. A CREATOR puts loyalty towards his own race above every other loyalty.

2. A CREATOR is responsible, productive and constructive.

3. A CREATOR places a high value on honor and self-respect, and will defend his own honor, the honor of his race and of his family at all costs.

4. A CREATOR recognizes both love and hate as the two most powerful driving forces in life: that both emotions are healthy and essential to life, and to possess only one and be deprived of the other is to be as crippled as a bird with only one wing.

5. A CREATOR realizes that both love and hate, in order to be constructive, must be directed in the proper channels and to do otherwise is destructive and suicidal.

6. A CREATOR therefore makes a careful distinction between his loved ones and his enemies. He loves, aids and abets those of his own race and his own kind, and hates his enemies, namely Jews, niggers and the mud races.

7. A CREATOR is eager, optimistic, aggressive, energetic, and self-sacrificing for the best interests of his people.

8. A CREATOR strives to keep physically fit and keep his body in the best of health at all times.

9. A CREATOR is inquisitive, adventurous, and has a cheerful zest for living.

10. A CREATOR is tough, tenacious, resolute, persistent, persevering, indomitable and indefatigable, as were the Ancient Romans.

11. A CREATOR is practical, down to earth and concentrates on those goals and activities that are meaningful and worthwhile.

12. A CREATOR is brave and courageous and always a proud credit to his people.

13. A CREATOR places high value on ATTITUDE, strives continually to maintain a healthy, positive and dynamic attitude towards life.

14. A CREATOR is an Achiever and a Producer.

15. A CREATOR is a problem solver.

*** Once we have straightened out the White Man's thinking, the battle is as good as won!**

*** Spread the word-words are powerful weapons.**

*** Nothing is more important than the survival and advancement of our race.**

*** It is our aim to shrink the colored races, and to expand the White Race.**

*** Civilization is plainly the creation and property of the White Race.**

*** We do not condone tolerance of other people's beliefs if they are an affront to our intelligence.**

Little White Book - 04

What a Creator is Not

1. A CREATOR is not gullible, and does not easily accept any statement, belief, assertion or assumption that to him is lacking in proof and/or is unreasonable in the light of his own experiences.

2. A CREATOR is not superstitious and disdains belief in the supernatural. He will waste no time giving credence to, or playing silly games with imaginary spooks, spirits, gods and demons.

3. A CREATOR is not interested in the future or welfare of the mud races, and shuns race mixing or any social intercourse whatsoever with the inferior mud races.

4. A CREATOR shuns sexual deviation.

5. A CREATOR does not whine, complain or indulge in self-pity, but instead faces problems realistically, gets to the root of problems, and determines to solve them.

Little White Book - 05

The Sixteen Commandments of Creativity

1. It is the avowed duty and holy responsibility of each generation to assure and secure for all time the existence of the White Race upon the face of this planet.

2. Be fruitful and multiply. Do your part in helping to populate the world with your own kind. It is our sacred goal to populate the lands of this earth with White people exclusively.

3. Remember that the inferior colored races are our deadly enemies, and that the most dangerous of all is the Jewish race. It is our immediate objective to relentlessly expand the White Race, and keep shrinking our enemies.

4. The guiding principle of all your actions shall be: What is best for the White Race?

5. You shall keep your race pure. Pollution of the White Race is a heinous crime against Nature and against your own race.

6. Your first loyalty belongs to the White Race.

7. Show preferential treatment in business dealings with members of your own race. Phase out all dealings with Jews as soon as possible. Do not employ niggers or other coloreds. Have social contacts only with members of your own racial family.

8. Destroy and banish all Jewish thought and influence from society. Work hard to bring about a White world as soon as possible.

9. Work and Creativity are our genius. We regard work as a noble pursuit and our willingness to work as a blessing to our race.

10. Decide in early youth that during your lifetime you will make at least one major lasting contribution to the White Race.

11. Uphold the honor of your race at all times.

12. It is our duty and our privilege to further Nature's plan by striving towards the advancement and improvement of our future generations.

13. You shall honor, protect and venerate the sanctity of the family unit, and hold it sacred. It is the present link in the long golden chain of our White Race.

14. Throughout your life you shall faithfully uphold our pivotal creed of Blood, Soil and Honor. Practice it diligently, for it is the heart of our faith.

15. As a proud member of the White Race, think and act positively, be courageous, confident and aggressive. Utilize constructively your creative ability.

16. We, the Racial Comrades of the White Race, are determined to regain complete and unconditional control of our own destiny.

Little White Book - 06

The Fourteen Principles of Salubrious Living

1. We believe in living in accord with our human biological heritage and in harmony with the Laws of Nature.

2. This means eating fresh wholesome food in its natural state as Nature has given it to us. It must be uncooked, unprocessed, unpreserved and not tampered with in any other way. This further means it must be organically grown, without the use of chemicals.

3. Availing ourselves of a clean, wholesome environment: fresh, unpolluted air; clean water; and the beneficial therapy from the direct rays of the sun, every day.

4. Some form of strenuous physical exercise several times a week.

5. Rest and relaxation, both mental and physical, including sound and efficient sleep.

6. A form of recreation that is gratifying to our sense of accomplishment.

7. A sense of purpose, security and confidence to fuel our goals for accomplishment and living the good life. We must have goals and we must be motivated.

8. Deliberate self-mastery of our life and our work.

9. Gregarious living within the framework of our CREATIVE religion, our White society and social intercourse with our White Racial Comrades. We are social animals.

10. Healthy expression of our sexual instincts.

11. Living in a pleasing and healthful environment.

12. We do not believe in the use of any "medicines," drugs, or chemicals as having any healing or therapeutic value. In fact, all medicines, drugs, narcotics and chemicals are poisonous and toxic to the human body. Furthermore, and for the same reason, we do not believe in the use of vitamin, mineral, or enzyme supplements, nor the use of artificial food coloring, preservatives, nor refined or fragmented foods.

13. We strongly believe in the practice of fasting as the best means of ridding the body of accumulated poisons and toxins. We are convinced that fasting is the most natural and effective means the body has of overcoming all forms of disease, and restoring itself back to health.

14. Living in, and promoting a eugenic White society. This means that we take particular care in not only assuring the perpetuation of our precious White Race, but we take deliberate care that the misfits are culled and that each generation advances to higher and more salubrious levels, physically, aesthetically, and mentally. (WMB: Creative Credo No. 5 & SL: Introduction)

Little White Book - 07

Three Short Rules for Maintaining Excellent Health

1. Eat only raw foods in their natural state, basically fruits, vegetables, grains and nuts.

2. Get plenty of physical exercise, preferably the kind that rev up the heart and lungs. Among these are jogging, tennis, swimming and similar activities.

3. Stay away from man-made chemicals of all kinds. This includes alcohol, nicotine, caffeine, sugar, preservatives, insecticides, narcotics and drugs of all kinds, whether prescription or non-prescription. (WMB: Creative Credo No.7)

IMPORTANT NOTE:

At this point we Creators would like to clarify a very prevalent misconception that one cannot become a Creator without changing his eating habits. That is simply not true! Our

goals of Salubrious Living, Latin as a universal language, organic farming, Eugenics, etc., are the long-term ADVANCEMENT-stage goals.

Therefore, their immediate implementation is not necessary for becoming a Creator. We Creators recognize that even the longest journey starts with the first steps! We urge every White person to read our books, join our Movement and take the first steps in the long and glorious journey towards a New White Renaissance, a Whiter and Brighter World, and a Magnificent Era of the White Superman.

Little White Book - 08

Classical Latin: The Universal Language of the White Race

The great language of the ancient White Romans was the universal language of all educated Europeans until the Jew-orchestrated "French revolution" of 1789 divided Europe into a polyglot of language-based "nations." In order to survive and prosper, the White Race must put Racial Loyalty above National Loyalty, and unite in a worldwide WHITE RACIAL COMMUNITY with one White Racial Religion (Creativity) and with one White Racial Language (Latin). RAHOWA!

Aut vincere aut mori! Either victory or death!

Delenda est Carthago! Carthage must be destroyed!

Roman Senator Cato the Elder used this slogan to end all his speeches in the Roman Senate. It became a battle cry of all Romans, and eventually Carthage was destroyed by the victorious Roman legions. Now the battle cry of Creators and the entire White Race must be:

DELENDA EST JUDAICA!

Little White Book - 09

The Essence of the one and only true White Racial Religion CREATIVITY

1. CREATIVITY is a White Racial Religion based on the Eternal Laws of Nature as revealed through science, history, logic and common sense.

2. CREATIVITY is a four dimensional religion whose fundamental approach is based on the idea of a Sound Mind in a Sound Body in a Sound Society in a Sound Environment. Above all it is concerned with the White Race as the Finest and Noblest Creation of Nature, and is truly the first real racial religion the White Race has ever had in the 6000 year history of White Civilization. We Creators are proud to say: OUR RACE IS OUR RELIGION!

3. CREATIVITY is a racial religion that embodies the best values of genetics, biology, anthropology, philosophy, economics, art, literature, the health sciences, government, morality, the environmental sciences and all the other facets of living that the White Race has accumulated through experience over the millenniums.

4. CREATIVITY is a worldwide White movement for the Survival, Expansion and

Advancement of the White Race and the White Race alone. It strives to unite all White peoples of the world on the basis of one Racial Religion (Creativity) and one Racial Language (Latin) in a worldwide White Racial Community.

5. CREATIVITY rejects the Jewish lie about the separation of church and state and strives for the unity of our White Racial Religion with our White Racial State.

6. CREATIVITY first of all aims to achieve a REVOLUTION OF VALUES THROUGH RELIGION, therefore it completely and categorically rejects the Judeo - Christian - democratic - Marxist - liberal - feminist values of today and supplants them with new and basic values of which RACE IS THE FOUNDATION.

7. CREATIVITY's key criteria is: *What is Best for the White Race. What is good for the White Race is the highest virtue; what is bad for the White Race is the ultimate sin.* That is our Golden Rule.

8. CREATIVITY, instead of perverting the thinking of its supporters with a phantom world of the Never-Never Land, concentrates on life on this earth, the only domain in which man has ever been known to live, spiritually or otherwise. We aspire to make life on this earth richer, fuller, grander, and more rewarding than any civilization that has ever existed.

9. In CREATIVITY, whereas we concentrate on the here and now, we also place great importance on the past and the future of our race. We regard our race as a long endless golden chain of which we of the present are only a link. We honor our prestigious ancestors and we plan and prepare for our tremendously superior progeny of the future.

10. CREATIVITY is so designed that the White Race can thrive, prosper and advance for the next million years. This we can confidently predict because CREATIVITY is based on the Eternal Laws of Nature for the survival of our species, and for the upgrading of future generations of our race. This is in direct contrast to the sickly Jewish Christian creed, which promotes the survival and expansion of the inferior mud races and the worst elements of our race to the detriment of our better elements. Creativity is the only road to White Victory!

Little White Book - 10

Lessons of Nature for White Survival

1. We must recognize and separate our own biological species, our own precious White Race, from that of the mud races.

2. We must recognize our natural enemies, namely the mud races, of which the Jews are the most vicious, treacherous and deadly. DELENDA EST JUDAICA!

3. We must recognize that our most important mission in life is the survival, expansion and advancement of our own kind and that we must make the world safe, not for democracy, but for the future of our own progeny, for all time.

4. Instead of accepting and succumbing to sick and degenerative Jewish ideas such as Liberty, Equality and Fraternity; Christianity, Communism and Democracy; race mixing and the promotion and subsidization of the scum and the inferior mud races, we must have a

complete revolution of those values we hold dear, values that are promulgated by the White Race, for the best interests of the White Race and the White Race exclusively.

5. To do this, we must have a clear, consistent, comprehensive creed and program of our own, based on those values that are in our own best interests. Such a creed and program must embrace such key values as Racial Loyalty, White Racial Teamwork, Racial Purity, the Leadership Principle, the practice of eugenics and the upgrading of our racial species, and many other vital concepts as set forth in our own NATURE'S ETERNAL RELIGION, THE WHITE MAN'S BIBLE and other religious books of CREATIVITY.

6. We must realize that whether we like it or not, we, the White Race, are embroiled in a deadly racial war, a war not of our making, but contrived and orchestrated by the worldwide Jewish network. We are now in the precarious position of being exterminated, a crisis that is coming to a rapid climax. Unless the White Race soon becomes aware, aroused, organized and militant, we will soon be an extinct species.

7. We must also realize our own worth: that we are Nature's Finest, and also we must recognize our own strength and resources. Aroused, united and organized the White Race is the most powerful force on the face of the earth.

8. We must realize that we cannot save all of humanity, and that we have no obligation to do so. We must get our priorities straight and save our own precious White Race in accordance with the principles of TRIAGE. (See RL No. 67.)

9. We must now muster and mobilize those forces we possess and wage an all out war to destroy our enemies and save the White Race from extinction. We must mobilize and polarize around one powerful, comprehensive and militant creed to save ourselves and our future progeny. That creed and program is Creativity and Creativity exclusively.

We must realize that we are now in a dire and crucial crisis in the life span of our race, and we must dedicate ourselves to winning this crucial battle for White survival at all costs, no matter what the price or the sacrifices required. We are Nature's Finest, and in accordance with the Highest Law of Nature – survival of the species – we must and will use any and all means to secure the survival of our species. The end (White Survival) justifies the means (any and all means deemed effective and necessary). RAHOWA! WHITE POWER!

Little White Book - 11

CREATIVITY: Creed and Program

1. CREATIVITY is a racial religion whose prime goal is the survival, expansion and advancement of the White Race.

2. Our organization is known as the Church of the Creator (Note: Due to US trademark restrictions our organization is currently known as the Creativity Alliance incorporating the Church of Creativity). Our movement and religious philosophy are called CREATIVITY, and members of our church are called CREATORS.

3. Every issue, whether religious, philosophical, political or racial, is viewed through the eyes of the White Man, and exclusively from the point of view of the White Race.

4. The cardinal test of any theory, plan, or program is this: Will it accrue to the benefit of the White Race?

5. We believe that the White Race is Nature's finest creation of all time and that our most precious treasure is our White Gene Pool. Guarding the purity of our worldwide Gene Pool, enhancing it, and the upgrading of our future generations is our highest responsibility and our most sacred duty.

6. The four basic foundations of our religions creed are: A SOUND MIND in a SOUND BODY in a SOUND SOCIETY in a SOUND ENVIRONMENT.

7. Our Golden Rule is: *What is good for the White Race is of the highest virtue; what is bad for the White Race is the ultimate sin.* **23 Words.**

8. A thorough and comprehensive study of history has convinced us that the Jews, with their odious Talmudic and Judaic religion, are the most sinister and dangerous parasites in all history, and that they now control and manipulate the finances, the propaganda, the media and the governments of the world. It is our sacred duty and unswerving goal to get these parasites off the back of the White Race, and enable the White Race to again take control of its destiny and restore it into its own capable hands. DELENDA EST JUDAICA!

9. We mean to cleanse our own territories of all the Jews, niggers and mud races, and send them back to their original habitat. Starting first with the United States, we then want to help each White country to free their territories of the contamination of mud races, and prevent not only race-mixing, but geographic mixing of races within any of the lands now occupied by the White Race.

10. A tremendous weapon in the worldwide Jewish drive of race-mixing and proliferation of the mud races has been Jewish Christianity, concocted for the very purpose of mongrelizing and destroying the White Race. It is our avowed objective to expose this Jewish swindle and replace it with a sound, healthy racial religion of our own.

11. Our first and foremost problem in saving the White Race from mongrelization and genocide is to straighten out the confused and scrambled thinking of the White Race itself. Once we have accomplished that much, getting the Jews, niggers and mud races off our backs will be relatively easy. When this has been accomplished, we then propose to expand the White Man's territory slowly and gradually, similar to the historic "Winning of the West" in early America, until the White Man inhabits all the good lands of this Planet Earth.

12. Simultaneously with the above, we mean to promote and practice Eugenics for the upgrading and advancement of the human species itself, as is spelled out in our THREE BASIC BOOKS: Nature's Eternal Religion, The White Man's Bible, and Salubrious Living.

13. We also are deeply concerned about the now rapidly deteriorating environment of our Planet Earth, which has not only become racially polluted, but is becoming highly contaminated with overwhelming masses of chemical wastes, nuclear wastes, and other dangerous and toxic poisons. As soon as the White Race again has control of its own destiny we mean to reverse this process, clean up the Planet and again make it a clean,

pleasant and viable place for the White Race to live.

14. We also mean to address the problem of farmlands and soil fertility, a problem that is now out of control. As set forth in The White Man's Bible (Creative Credo No. 13, 14, and 15), we plan to put into operation a program of restoring the fertility of the soil and conserving its stability on a worldwide basis.

15. We are also concerned about the physical and mental health of our people. In order to enhance and upgrade the physical well-being of both young and old, we mean to promote a natural life style as set forth in The White Man's Bible, and further amplified in Salubrious Living. The salient components for such a program are summarized in both books under the FOURTEEN BASIC POINTS OF SALUBRIOUS LIVING.

16. Our basic philosophy is spelled out under the heading of THE SIXTEEN COMMANDMENTS in both Nature's Eternal Religion, and The White Man's Bible, and is part and parcel of our creed.

17. Our DECLARATION OF INDEPENDENCE FROM JEWISH TYRANNY is set forth in The White Man's Bible (Creative Credo No. 67).

18. Our program to overcome the tyranny and violence directed against the White Race is spelled out in Creative Credo No. 64 of The White Man's Bible, and we mean to follow and implement these steps, including ARTICLES 7 and 8 in the order listed, if and when the time should come when we are compelled to do so.

19. In Creative Credo No. 65, we have an additional creed of our Church enabling the White Race to protect itself from a hostile government, under the heading Articles for the Defense of the White Race. This, too, is part and parcel of our creed and program.

20. In a rapidly degenerating world that is now overcrowded and overrun with an explosion of inferior mud races; a world that is drug-ridden and already overly polluted with toxic chemicals and nuclear wastes; a world now steeped in anarchy, chaos and terrorism, it is nevertheless our ultimate and continuing goal to build in its place a WHITER AND BRIGHTER WORLD for our future generations.

A Declaration of Independence from Jewish Tyranny

Since a penetrating study of both contemporary and Ancient history has conclusively revealed the following situation:

1. The Jewish race by choice has waged deadly, unrelenting warfare against us, the White Race, in order to destroy us.

2. The Jewish people are banded together in a various racial, religious and political conspiracy to gain control of all the money, all the economic and financial resources, all the land and territory and real estate of the world, in short, its total wealth.

3. The Jews have made it their primary goal to mongrelize, kill, decimate and otherwise

destroy the White Race.

4. The Jews are determined to enslave all the races of the world, including the final mongrelized product of the White Race that they intend bringing about.

5. The Jews have in the past successfully and successively destroyed our White Racial ancestors, to name a few: the White Egyptians; the highly creative and gifted Greeks of Classical History; the great and noble Romans of ancient times.

6. The Jewish conspiracy now owns, monopolizes, and/or controls the majority of the White Man's industry, finances, educational facilities, news media, television networks, government, religion, and monopolizes all or nearly all instruments of thought control.

7. The White Race is now an occupied and enslaved people under the cruel heel of the Jewish tyranny. Now, therefore, we CREATORS, in the name of all our White Racial Comrades throughout the world, proclaim this, our own Declaration of Independence.

We hereby resolve that it is our sacred duty and holy obligation, not only to ourselves, but also to out noble ancestors that produced us, and our precious progeny who will follow us, to bring about a world situation in which we are determined:

1. To throw off the yoke of Jewish tyranny and control.

2. To wrest control of the White Man's destiny into the loyal and capable hands of our own people.

3. To eternally fight for the survival, expansion and advancement of the White Race.

4. To shrink our enemies, namely the Jews and the other mud races, and expand the territory, the power and the number of our own White Racial Comrades.

5. To make it impossible for the Jews and other mud races to ever again threaten the existence and well-being of the White Race.

To this, our Declaration of Independence, we Creators forever pledge our Lives,
Our Sacred Honor and our Religious Zeal.

Creativity Unique - Not a Rehash of the Nazi Philosophy

We Creators believe that Adolf Hitler was a pioneer who made a tremendous breakthrough for the White Race, but unfortunately he did not break the back of the Jewish monster. On the contrary, the Jews emerged victorious from the ashes of a defeated Germany. When WWII ended, the Jews were ten times more powerful than before that holocaust began. Now, over forty years later they have further consolidated that power and tightened their death grip on the world, and on the White Race. It remains up to us, the present generation of the White People, to break that Jewish stronghold. Nobody else will do it for us.

We Creators have learned much from the Nazi experience and the mistake made in dealing with the Jewish monster. National Socialism was the first mighty breakthrough for the White Race, but it was not the total answer. IN CREATIVITY, THE WHITE RACE FINALLY HAS THE TOTAL ANSWER TO THE PROBLEMS OF WHITE RACIAL SURVIVAL, EXPANSION AND ADVANCEMENT! We Creators have come up with a completely different approach and use the same weapons the Jews have used so successfully for over 3500 years, namely the POWER OF RELIGION.

1. There are at least eight Fundamental Differences between Creativity and the Nazi movement, which have been outlined in Expanding Creativity (p.56-57) and Building a Whiter and Brighter World (p.50-51).

2. Whereas the concern of Hitler and the Nazi movement was to save Germany from the enemies that surrounded her, the overwhelming goal of the Church of the Creator is to save the White Race and insure the survival, expansion and advancement of the White Race on a worldwide basis. We preach not nationalism, but Racialism.

3. Hitler himself stated that the Nazi movement was a political movement exclusively for the Germans and not for export. CREATIVITY is, in contrast, a RELIGIOUS MOVEMENT designed for global proportions to embrace all the White peoples of this Planet Earth.

4. Whereas Hitler never tackled the issue of Jewish Christianity, and, in fact, sometimes even mildly identified with it, we confront Christianity head-on, expose its treacherous and deceitful nature, and its Jewish origins.

5. Hitler left us a burdensome legacy that still lingers on in the minds of many of his admirers, and that is that the Jewish problem must be solved as a political problem. We Creators say: not so, it is a religious problem that can only be solved by replacing Jewish Christianity with a powerful racial religion for the White Race. In the one and only, true and revolutionary White Racial Religion – CREATIVITY – we have such a solution.

6. Whereas the Nazi movement took a harsh and hostile stance toward many of its White neighbors – the French, the Poles, the Czechs, etc., CREATIVITY, on the other hand, seeks to embrace and unite all the White peoples of the world in the spirit of White Racial Loyalty and solidarity.

7. Whereas Hitler formed a military alliance with one of the more powerful mud races, namely the Japanese, to help kill White peoples, to us Creators this is sheer treason and must never happen again. A cardinal rule of the Church of the Creator is: never, never again shall the White Race engage in suicidal warfare against its own kind but concentrate its power and hostility instead against its racial enemies – Jews, niggers and the mud races.

8. Our "mythos" is the American scene of our White pioneering forefathers, Manifest Destiny and the Winning of the West, which we consider as the finest chapter in the history of the entire White Race. In contrast, the Nazi mythos was narrowly nationalistic in orientation, with the exclusive emphasis on German language and history.

9. We shun the "personality cult" approach to the overwhelming problem that confronts us

and rely instead on logic and common sense, on the experience of history, and on the Eternal Laws of Nature as the broad and solid base upon which to build our powerful religious movement for the White Racial Survival, Expansion and Advancement.

* * * * *

We must not get into the rut of merely rehashing the problem endlessly. Let us instead direct our energies constructively towards solving the problem by building a massive White Racial movement. CREATIVITY is the solution.

There will never be a better time to get our act together than NOW. We will not get a second chance.

If the White Race isn't worth saving, what is?

The work of CREATORS everywhere is to restore the natural instincts Nature gave to the White Race.

Lessons from the Winning of the West

One hundred years ago, on December 29, 1890, at the battle of Wounded Knee Creek, South Dakota, the White Race finally and absolutely triumphed in America. Let us honor and celebrate this glorious day – THE DAY OF TRIUMPH OF WHITE AMERICA – every year, and let us learn and remember the following important lessons of our history:

1. The most obvious and important lesson we must learn is that America, as every other country, empire, or civilization, was built by conquest. It was by force of battle, by spilling blood, by conquering the enemy that the White Man in America forcibly took the land from the Indians, and the Mexicans, and won independence from the British.

2. We White Racial Loyalists – Creators regard the wars against Indians and the Mexicans as of far greater significance than the war of the American Revolution against England. After all, Canada has prospered equally well, although it never formally broke away from England. Its smaller population is solely due to the fact that only its southern fringes lie in a hospitable climate.

3. If the American wars of pushing back the mud races and settling the conquered territories with White people were so productive in the past and were the "American Way," why scrap a winning formula? Why not apply the same successful program to the rest of the land areas of the world, not just for the U.S., but for the White Race as a whole? We White Racial Loyalists – Creators propose that this is exactly what we not only can do, but must do, if we are to survive. We have the intelligence, we have the power, and as Nature's Finest we have every Nature-given right to do so. Our White Racial Religion – CREATIVITY – furnishes us not only with the moral right to do so, but also the moral obligation to do so.

4. For those self-hating White bleeding hearts (whose minds have been polluted and perverted by Jewish propaganda) we throw down this challenge: If you really believe that the White Man was wrong in conquering America, if you don't believe in the American

way, why don't you set an example of demonstrating your convictions by deeds? Give your property back to a Mexican or an Indian, renounce your American citizenship and crawl into a hole and die. That's the bottom line of your idiotic conclusions, whether you know it or not.

5. We White Racial Loyalists – Creators take the contrary position. We take a position that both Nature and history have taught from time immemorial, and that is: Land and Race are Everything. Land is essential to the life and the preservation of our race. The survival, expansion and advancement of our race is the most vital goal in our existence. We White Racial Loyalists – Creators believe not only in expanding American territory, as did our glorious ancestors during the nineteenth century, but of following the same great "American way" of expanding the living area of the White Race all over the world, until the White Race inhabits every hospitable square mile on the face of the earth. RAHOWA! THIS PLANET IS ALL OURS!

* * * * *

We believe that reality is a thousand times more meaningful than fantasy. The road to the White Man's salvation: dedication, propaganda, organization, leadership.

Our minimum goal is to get the Jews off our backs and wrest control of the White Man's destiny back into our own capable hands. From there on out, the sky is the limit.

Christianity is a Jewish mind scrambler that has confused the hell out of the White Race for over 1800 years. Join the White Man's Religion. Become a Creator.

Are you a full time activist or a part time dabbler?

Little White Book - 15

We are Proud to be White Racial Loyalists

We Creators take this stand: Yes, we are proud to be Racists. Yes, we are prejudiced in favor of the White Race at all times, in all things. Only we call this Racial Loyalty, and anyone who is not loyal to the White Race we designate as a despicable traitor to his or her own race. (WMB: Creative Credo No. 2)

1. Nature decrees that each species look after its own exclusively and guard against its enemies. We will call this philosophy to each his own, or Racial Loyalty, in reference to people.

2. We must never again look at issues from anyone else's point of view, not through the snake's eyes, not through the Jew's eyes, not through the nigger's eyes, or any other enemies' point of view. We must measure everything from our own point of view. We must consider every issue from the White Man's point of view, and no one else's.

3. The third conclusion logically follows the second. It will be the bedrock of our religious thinking, namely: *What is good for the White Race is of the highest virtue; what is bad for the White Race is the ultimate sin.* We have already decreed this as our Golden Rule.

* * * * *

Never again must we be Traitor to our Own. As we proceed to build the philosophy of our religion for the survival of the White Race, let us never again look at the world through the serpent's eyes. We are not interested in the serpent's point of view. We have only one consideration: The White Man's point of view, The White Man's best interest, The White Man's welfare. To do otherwise is playing the traitor to our own race and an affront against the Laws of Nature itself. (WMB: Creative Credo No. 2)

White Man, your first loyalty belongs to the White Race!

CREATIVITY: White Racial Teamwork

In CREATIVITY we follow the experience of history. Eternal struggle is the price for survival. The winners of such struggles are those who organize, who have a battle plan, who practice racial teamwork. In CREATIVITY, as we unfold our creed and program, we endeavor to furnish the White Race with all these essentials, and more. (WMB: Creative Credo No. 3)

1. In Creativity we emphasize responsibility and duty over a libertine philosophy.

2. We favor the producer over the consumer.

3. We have learned from the hard experience of history that all libertine societies end in anarchy, and that anarchy is the cruelest and most destructive of all tyrants.

4. We believe in the fullest exercise of freedom within the context of organized society and responsibility toward that society.

5. We believe that the freest individuals are those within the framework of an organized White government, free from alien control and free from pollution of alien races.

6. We believe history and experience have shown that only on the basis of recognizing our enemies, destroying and/or excluding them and practicing racial teamwork can a stable lasting government be built for the progress, prosperity and advancement of the White Race.

* * * * *

CREATIVITY is a religion for the survival of the White Race. Time is running out. The time for action is NOW!

The Jew is the master of perversion. When CREATIVITY triumphs the White Race will be Jew-proof for all time. White Men of the World, UNITE! You have nothing to lose but Jewish tyranny.

Little White Book - 17

Steps towards the Salvation of the White Race

1. First of all, we must go back to the fundamentals of Nature, which is the heart of our religion – CREATIVITY.

2. We must realize first and foremost that the survival of our own race – the White Race – supersedes any and all other goals in importance. We must look at all issues through the eyes of the White Race and the White Race alone.

3. We must realize that we are not here to help others, least of all the scum of the earth, but to help ourselves.

4. We must realize that only by hard struggle on our own behalf can we survive and build a better race.

5. We must realize that only by building a better race can we ever build a better world. The two goals merge together.

6. We must clearly recognize our racial enemies – Jews, niggers and muds – and treat them as such.

7. We must realize that such words as "help," "charity," "compassion," "humanitarianism," "aid to the needy," etc., are Jewish catchwords designed (a) to fleece the White Man, and (b) transfer the White Man's hard-earned substance to the niggers, the mud races and the freeloaders, and (c) thereby destroy the White Race.

8. We must realize that most of today's charity is promoted and channeled by the Jews and goes to the benefit of Jews, niggers and mud races.

9. We must realize that unselective and indiscriminate charity is not a virtue but a racial sin which is extremely destructive to the White Race.

10. We must never participate in any charity that benefits our enemies.

11. We must aim our aid, charity, contributions to benefit the White Race as a whole and be careful that even among our own kind we are not aiding and abetting those that could and should help themselves.

12. We must realize that by subsidizing those that are capable of helping themselves we are encouraging them to become freeloaders, we are thereby not really helping them but undermining their ability to become independent, useful members of our White Society.

13. We can render the most useful aid by teaching our White Racial Comrades how to best help themselves and fend for themselves. This applies especially to our own offspring.

14. We must realize that encouraging parasites at the expense of the productive group rapidly expands the parasites out of control and destroys the producers. This unfortunately is the course we are now pursuing and it obviously leads to the collapse of race, economy

and civilization.

15. The thrust of our endeavors must, therefore, be just the opposite: encourage and increase the productive base and discourage, decrease and cull out the incapable, the useless and the freeloaders. Only by doing so can we build a stronger, more capable race and a better world of tomorrow. (WMB: Creative Credo No. 63)

Little White Book - 18

Priorities of the White Race

1. Our first priority is the survival, expansion and advancement of the White Race. To achieve this goal no price is too high, no sacrifice is too great, and we will and we must utilize any and all means necessary to achieve this paramount goal.

2. To enable us to achieve our own survival, we must first and foremost get the parasitic Jew off the back of our people, not only in America, but throughout the world. For too many thousands of years they have been the scourge of mankind. DELENDA EST JUDAICA!

3. In order that we can organize ourselves and muster the power to smash the Jewish stranglehold, we must first destroy and replace Jewish Christianity, their most powerful and insidious weapon, with a healthy racial religion of our own.

4. The basic philosophy of such a religion must be: *What is good for the White Race is the highest virtue; what is bad for the White Race is the ultimate sin.* Racial Loyalty and White Racial Teamwork must be the foundations of our program.

5. Never again must the White Race be euchred into fratricidal wars of White Men killing White Men. If we must go to war, let us make damn sure we direct such wars against our real enemies – Jews, niggers and the mud races.

6. As Nature takes its course and the mud races wither away of their own incompetence and inability to feed themselves, we must expand our own kind and colonize all the good lands of this Planet Earth.

7. We Believe that Planet Earth has a definite limit as to the number of people it can comfortably feed, house and accommodate. We believe that number is in the vicinity of one billion people. Once we are in charge of our own destiny, we can stabilize our world population at that number, and through the practice of eugenics constantly upgrade the health, intelligence and genetic quality of our people, thereby building a healthier, happier and more prosperous life for Nature's Finest for all time to come.

*** We want to start laying the groundwork now, for the Future Leadership Cadre of the White Race.**

Program to Overcome the Tyranny and Violence against the White Race

Our program to overcome the tyranny and violence against us, must proceed in the following order, from one emergency to the next:

1. It is not our objective to declare a war of violence against the Jews, niggers and other mud races. We will assert ourselves non-violently but be adamant in our pursuit to freely practice our religion as guaranteed by the First Amendment to the United States' Constitution. We will demand, as everyone else, the right to peacefully assemble, as guaranteed by the Constitution, and the right to organize.

2. As we organize our churches, we will distribute NATURE'S ETERNAL RELIGION and our WHITE MAN'S BIBLE, until we have placed a copy in the hands of a majority of our White Racial Comrades. We will make sure every White man, woman and child understands the Jewish conspiracy that is now upon us.

3. As the White Race becomes united, informed and aroused, we will boycott every Jew and every aspect of Jewish influence in our society. This includes boycotting the Jews in business, in their professions, in their political activities, in education, in religion, in the news media, theater, etc. Not only will we boycott them, but we will expose them, point them out and wage propaganda warfare against them, just as they are presently doing against the White Race. This we can do legally and very effectively once we get our religious structure organized.

4. We thereby intend to drive them out from our society in all phases of influence and power, just as Hitler did in Germany. We will let them peacefully "wither on the vine" or let them peacefully migrate to Israel where the Arabs can contend to them. In no case will we any longer subsidize them, do business with them, or allow our White Racial Comrades to be used as victims to promote the welfare of these parasites on our backs.

5. Once we have driven them from political office, we will follow this up with legal measures to forever exclude the Jews from positions of power or influences in government, education, propaganda, arts and theater or any other meaningful influence in our society, as did Hitler in Germany, and as did the Byzantine Empire over a thousand years earlier, and as the bandit state of Israel has done to all peoples who are not of Jewish birth.

6. In the meantime, while we are still in the process of regaining control of our own destiny, in no case will we ever surrender any of our guns or weapons, under any pretext, ruse or semblance of law whatsoever. Never, never, never, not even one gun. The Second Amendment of the United States Constitution gives us the constitutional right to keep our

guns, and we damn well mean to exercise that right at all costs.

7. So far everything is legal. We have demanded nothing more than our Constitutional rights, the same as every other citizen. We hope we will need go no further. Now we come to the crux of our position: Should the Jewish government use force to violate our Constitutional rights to freely practice our religion; to peacefully assemble; to peacefully organize; to distribute our White Man's Bible; to use mails and any other prerogative in promoting and expanding our legal religious organization and the full practice of our religion, then we have every right to declare them as open criminals violating the Constitution and the highest law of the land. They then obviously are the criminals, and we can then treat them like the criminal dogs they are and take the law into our own hands. This is the obvious, logical thing to do. We must then meet force with force and open warfare exists. It will then be open season on all Jews.

8. Should the Jews use assassination against our members, or our leaders, then the White Race must meet fire with fire, and retribution and vengeance will be our answer. For every one of ours they kill we will exact ten times their number, starting with the rabbis. When law and persuasion no longer protect our rights to survival then we must – as all free, courageous, intelligent people have done through the ages – turn on our tormentors with a furious vengeance and destroy them down to the last man. This is the thing the Jews fear above all – violence directly against their race, and rightfully so. With our superior numbers and fighting qualities, the Jews would be wiped out mercilessly, should they violate our Constitutional rights and inflict violence against us. (WMB: Creative Credo No. 64)

Every Creator a Reverend:

The Advantages of becoming an Ordained Minister of Creativity

Now that we have the blueprint drawn, the foundations laid and the framework for the White Racial Religion of the future under construction, it behooves us to put muscle on the bones as quickly as possible. This we are attempting to do and the means to do it with are people – more good, aggressive, White activist people. We need to utilize our resources to the utmost and take advantage of every means at our disposal. (EC: p196)

As I have pointed out any number of times, religion is undoubtedly the most powerful motivator and energizer to ever influence the human elements throughout history. Combine this with a racial fervor as the Jews and Moslems have done and you have a combination that is intensely powerful. In CREATIVITY we finally have such a combination for the White Race. (EC: p196)

RELIGION, like fire, is a powerful force, but, like fire, it can be either constructive or destructive depending on how it is used, by whom, and on whom. As I have pointed out innumerable times, the Jews concocted Christ-INSANITY for us, slopped it on us, and used

it as a powerful tool against us and for our own self-destruction. However, now that CREATIVITY has come along, we can take a long historical view of all this religious anarchy which the White Race has suffered and profit from the lessons it has taught us. We can and should learn from experience. We can and must especially learn from the disastrous experience such as the nightmare of mongrelization the White Race is being subjected to right now. We can learn the same methods, techniques and procedures our enemies use and put them to work for our own best interests. Now that we CREATORS are no longer interested in saving (the scum of) humanity, but instead look at every issue from the basis of our own Golden Rule ("What is best for the White Race?"), we, too, can do many powerful things with religion, our own religion. (EC: p196)

This short treatise is designed to emphasize only one limited phase of that all-encompassing program, and that is to fully utilize the extraordinary prestige and influence religious titles exercise in our culture and society. The Jews have bragged time and again that practically every new issue (such as integration and mongrelization) that they want to slop on the White Race they promote first through the ministers (the White Man's) and the churches as a moral issue. Why? Because there is an inherent "reverence" for "the Reverend." They not only use this ploy with the White "Reverends," but also and especially by means of black "Reverends" who, though they are just recently emerging from the jungles, are now almost instantly converted into a near deity by turning their collar around and draping them with the religious mantle of "Reverend." (EC:197)

When they picked an alleged Communist, panderer and car thief by the name of Martin Luther King to head up the American "civil rights" movement of the sixties, they first of all made sure that he had the title of "Reverend." They did the same with his successor, the "Reverend" Abernathy, although anyone looking closely into that dark and sinister face can visibly see in it more malignant criminal hatred for the White Race than any so-called Christian love and charity. The same goes for the "Reverend" Jesse Jackson, and a host of other black "Reverends" whose jungle English can hardly be comprehended. (EC: p197)

Well, two can play that game. We now have a religion of our own, a White Man's religion, established for the survival of the White Race, for the White Man's benefit. It is called CREATIVITY. Since religion is like fire, let us make sure we utilize ours to burn down the treacherous facade that is being used against us, and to fuel our own engines to steamroller the Jews and other mud races out of our culture. (EC: p197)

In CREATIVITY we have a legitimate, powerful religion that has every right, privilege and protection as spelled out under civil and religious guarantees of the First Amendment of the U.S. Constitution. We CREATORS DO NOT ASK the Jewish establishment whether we, too, can exercise those rights the same as any Jew or nigger. We do not stand there, hat in hand, begging. WE DEMAND that we have those rights unquestionably, and woe betide any Jew, nigger or race traitor who would stand in our way and fain deny us our legal rights and equal protection under the law of the land. (EC: p197)

So let us proceed and exercise our muscle and constitutionally guaranteed rights. Let us too have ordained Ministers and Reverends to spearhead our noble and sacred Cause. (EC: pp197-198)

This is nothing new in our movement. We have been ordaining Ministers of Creativity for over thirty years, and presenting qualified members with Ministerial Certificates. The

Mormons throughout their history have instituted the practice of obligating every member to become a lay missionary. What we now want to do is to step up our campaign and have every valid member of The Church apply for and, if qualified, receive a Ministerial Certificate, and become an Ordained Minister. (EC: p198)

What are the advantages of doing so? Well, there are many and I want to briefly recapitulate them here:

1. The prestige and recognition that automatically go with the title are a most valuable asset that has long been recognized by the Christians, Jews and niggers. We, too, can capitalize on it.

2. The legal protection under the United States' First Amendment is much more pervasive for a religious group, front, organization, or whatever, than say a political group (like the Nazis), or a fraternal organization, or a "charitable organization" (always suspect of fraud), or a civic organization, or any other. Whereas, the media or any political hack will eagerly kick a NAZI around like some dog, they will differently treat with kid gloves any "Reverend" who heads up a religious organization. Why? Because to attack him possibly opens up the same charges against all other "religious" organizations and could bring the wrath of the religious "establishment" down on their heads.

3. It lays the basis for the legitimate claim of exemption from the tyrannical and voracious Jewish tax collectors. It is no guarantee, but it is a strong claim that we can and must defend. If the Jewish synagogues get tax exemptions, why shouldn't we? If the niggers' "religious" establishments get tax exemptions, why shouldn't we? If the Catholic Church, which is headquartered in a foreign country, gets tax exemptions, why shouldn't we? The answer is: there is no reason in the world why we shouldn't and we must demand and defend our religious and civil rights guaranteed under the United States' First Amendment (also, the Fourteenth – "Equal Protection under the law" clause).

4. Since most religious groups in this country (and around the world) are based on a most transparent hoax (the spook-in-the-sky swindle), but nevertheless wield a lot of political and moral clout, the Jewish establishment (i.e., the government) is most skittish about arguing the issue in the courts, since it can and will bring out so many obvious flaws, swindles, hoaxes and contradictions that it might bring down the whole odious house of cards. We CREATORS must realize this, and that is our trump card – we are probably the only legitimate religion on the world scene whose beliefs, creed and philosophy are based on truth and reality. All others, be they Christianity, Judaic, Mormon or Moslem, are totally based on a collection of hocus-pocus. Their basis is built on the flotsam of far-out superstitions, on myths, hearsay and lies that won't stand the light of day. They cannot either substantiate or justify their super-natural claims and swindles. Ours is based on fact, on the Eternal Laws of Nature, ON REALITY, on the truth. You can't beat that – but nevertheless, when we are forced to, we must defend it at all costs. (EC: pp198-199)

All right, we now realize the advantages of a religious movement, especially ours. We realize the advantages of being an Ordained Minister of the Church and having the title of Reverend. So, why not utilize this advantage for every good, upstanding member of The Church? (EC: p199)

Why not, indeed? Why don't you become an Ordained Minister of Creativity? Why not

utilize your best talents for the promotion of our sacred goal – the survival, expansion and advancement of the White Race? (EC: p199)

So how do you go about becoming an Ordained Minister of our Church? Here are the steps:

1. First, become a member of our Church. If you are not now a member, you can become one by applying by letter and a predetermined donation to one of The Church's organizations. In return you will receive either an Official Supporters Certificate or a Membership Certificate.

2. Next, after having received a Membership Certificate and thoroughly studied our creed and program as set forth in our sacred books, write us for an application form to become ordained.

3. Upon submission of your application along with a passport sized photograph of yourself, your credentials will then be reviewed and you will be sent a copy of the Ministerial Exam.

4. If you have passed the Ministerial Exam, are deemed to be a legitimate White Man or Woman over the age of 18, and have convinced us that you are dedicated to the noble cause of the White Race, you will be awarded a Ministerial Certificate, with all the ensuing credentials for becoming an inspirational leader in your area. This will have the further advantage of giving you the prestige and credentials to form a Church group of your own as set forth in our guidelines. Why not avail yourself of these advantages? Act Now! (EC: pp199-200)

Sound Bites, Brain Bombs & Word Grenades

* My dear White Racial Comrades! Please listen carefully. The White Race is now at a crucial point of NO RETURN. It is headed for TOTAL disaster – total extinction. Unless we take a meaningful and drastic course of action, the precious White Race will be gone forever. Help build the unique White Racial Religion of CREATIVITY into a powerful battering ram and smash our Nemesis, the Jewish network, forever.

* There is nothing secret about the program of CREATIVITY. We mean for the White Race to survive at any and all costs. Anyone who is against the survival of the White Race is our avowed enemy without any further equivocation.

* Dear White Racial Comrade: When you encounter CREATIVITY for the first time in your life, you are presented with a CAUSE towards which you can finally dedicate your total loyalty and commitment.

* Do something meaningful for the White Race: become an Ordained Minister of CREATIVITY and start a group in your area.

* Christianity was invented by the Jews as a tool with which to destroy the White Race.

* Christianity rapes the minds of otherwise intelligent men.

* To succumb to Christianity is to indulge in a cowardly flight from reality.

* Christianity is against Nature and against Nature's Finest.

* After the advent of Christianity the White Race wallowed in the Dark Ages for 1000 years.

* Christianity has enslaved, subjugated and enchained the intellect of its victims.

* The philosophy-ideology-religion of CREATIVITY is in harmony with the Laws of Nature.

* A religion should help to preserve, promote and advance the race which embraces it.

* Church and State should be united in the White Man's religion.

* Global White Racial Loyalty and Solidarity must be our constant goal.

* Race is everything. In order to survive and prosper, the White Race must overcome its five main enemies: Judaism, Christianity, Communism, Liberalism and Nationalism.

* Think of yourself as a golden link in the endless chain of your Race.

* Our greatest task is to bring the White Man back to his senses.

* Nature herself created men unequal and the races unequal.

* The White Race is the Master Race.

* You can take the nigger out of the jungle, but you can't take the jungle out of the nigger.

* The Christian "other world" is as unreal as an LSD trip.

* The Jews invented the most hideous idea ever spawned from a depraved mind-hell.

* Instincts are more than a hereditary memory from the experiences of our ancestors – they are also the drive for survival of the species.

* The Jew is the root of all evil.

* Hate is as constructive an emotion as love, and hate and love go together.

* To deprive the White Man of hate is like de-clawing and de-toothing a tiger.

* Intense hate of the Jew is the beginning of the White Man's liberation.

* The White Race will either overcome the Jew or cease to exist.

* The survival of the White Race is our most important concern.

* Plow money back into your own race. It is the best investment you can make for your own future and that of your children.

* We Creators intend to reclaim this Planet for Nature's Finest – the White Race.

* RAHOWA: The White Man's total RAcial HOly WAr is our answer to the Jewish war of extermination against the White Race.

* The reason the White Race has been such an easy prey is that a major segment of the White Race is promoting its own self-destruction and the overwhelming moral force behind it has been none other than Jewish Christ-INSANITY itself.

* The present U.S. government is a Jewish Occupational Government (JOG): our enemy #1.

* If we are ever to restore this Planet Earth to its original pristine beauty and fecundity, there is only one answer – RAHOWA! Total racial warfare, total WHITE VICTORY!

* We must make this part of our religious conviction: it is better to die fighting for our race, for our White Race, than to surrender to the enemies of our race; it is much better to die a hero, than live a coward and a slave.

* We must realize that Nature never intended for any individual to live forever, and since die we must, the greatest honor and the highest dedication we can bestow upon our people, our race, is to fight to preserve it at all costs, or die in the attempt.

The Mission of Creativity Security and Self-defense

I. The primary mission of the Security Legions, is to provide security services for the members and property.

II. The secondary mission of the Security Legions, is to prepare the members for active and effective self-defense.

III. In order to accomplish their mission of security and self-defense, the Security Legions must:

(a) Organize themselves into small, tightly-knit Primary Groups (with a minimum of two,

maximum of ten, optimum five members), in accordance with the Primary Group Pyramid Structure as outlined in Racial Loyalty #55.

(b) Self-educate themselves in legal self-defense and always remember these principles:
1. Never trust police, FBI or any other agents of the JOG. They are controlled functionaries of our enemies.

2. Never allow them inside without a warrant, always demand to see a warrant.

3. If unwillingly detained, demand to know if you are under arrest and under what charge.

4. If under arrest, refuse to answer any questions and demand to see a lawyer. However, never trust a lawyer, especially if he advises you to break any of these ten basic legal self-defense principles.

5. When questioned by the JOG, silence is your best defense.

6. Be silent, suppress the urge to tell "your side of the story."

7. Never plead guilty, never waive any of your rights.

8. Never make any deals with the JOG.

9. Never betray a Creator – All Creators are your comrades.

10. Remember: nothing great is won without great sacrifices. Persecution and suffering are the inevitable obstacles on our path to victory. We must overcome them through dedication and perseverance. Let the great vision of a Whiter and Brighter World inspire and lead you through all trials, sufferings and deprivations.

(c) Self-educate themselves in physical fitness, martial arts, first aid techniques, police communications and armed self-defense. Legally own at least one handgun and become proficient with it through frequent target practice.

IV. All present actions of the Creator Security Legions must be within the limits of "reasonable self-defense" and within the law. Do not resort to any illegal means or methods! Anyone who advocates actions outside of the limits of "reasonable self-defense" and outside the law can be assumed to be an agent provocateur and would be subject to being expelled from the organization.

V. Only a card-carrying member can join the Security Legions. There can be no exception to this rule.

VI. Although oriented towards our youth as the most energetic defenders of our race, the Security Legions impose no age limitation on their membership. However, every member must be physically and mentally able to perform his duties effectively.

VII. CREATIVITY endorses and promotes with great enthusiasm both the White Berets and White Rangers, therefore no matter which one of those two is selected by a member, he

will be part of the militant elite of Nature's Finest.

The basic difference between the White Rangers and White Berets is in the image and mystique, the type of heritage and tradition they want to emphasize, promote and emulate.

White Rangers, as the name implies, draw their inspiration from the tradition of the heroic White conquerors of the North American continent – Pioneers, Frontier Fighters, Cowboys and Texas Rangers. Their official uniform features a white cowboy hat (with our Logo) and cowboy boots.

White Berets, as implied by their name, draw their inspiration mainly from the heroic White military tradition, especially as exemplified by the elite commando units (such as paratroopers). Their official uniform features a white military beret (with our Logo) and paratrooper boots.

NOTE: The Creativity Alliance describes all of Creativity's Security Legions as White Rangers, no matter what their dress code or style.

Despite the differences in image, mystique and tradition, we must always remember that the essence of a White Ranger and a White Beret is not in his uniform, but in his attitude. Our main goal is to revive the attitude of White militancy – the will to fight for what is White and Defend the one and only, true and revolutionary WHITE RACIAL RELIGION – CREATIVITY!

Dealing with Law Enforcement

It is almost odd to have a section dealing with law enforcement, but since the media has promoted such lies about White Racial Loyalist groups and many police officers and other law enforcement officers have unwittingly been duped by these lies, it is necessary that we address this issue.

As stated in the previous section, our Church is a completely legal religious organization. This means that we will obey all constitutional laws. Naturally then, we should not expect problems with law enforcement to occur in the promotion of our religion. However, should they occur due the misinformation campaign on the part of our enemies, we should be ready to deal with it by using our heads and sound strategy.

Keep in mind that many police officers are naturally sympathetic to our cause. They have to deal with the niggers and mud races on an everyday basis. They see how they commit many more crimes than do our people and realize full well that there are serious differences between the races. However, what is difficult to ascertain is which officers are friendly and

which are simply acting that they are. These latter officers may make false promises to obtain damaging information from you. Some officers may realize that there are differences between the races, but still believe that these differences are environmental and hence that racism is bad. Then there are officers who may agree with what we are doing but may receive orders from above to harass or intimidate.

The best advice then is to form a course of conduct that can be applied whatever side the police are on. A distinction should be made between casual contacts with law enforcement or willing contacts (such as during public demonstrations) and contacts which you believe may be meant to elicit criminally damaging information from you. We should be ready and willing to discuss our religion with any White person, including law enforcement.

The points below, then, should be implemented if you are questioned by law enforcement and you believe the questions are meant to form a charge against you. By adhering to the basic points below, you can make the best out of such engagements:

I. Never trust police, FBI, or other agents of the JOG. However, retain a friendly, positive, respectful, and professional attitude at all times. Do not assume a belligerent attitude for this will inspire belligerence on the part of the officer.

II. Never allow them inside your home or your car without a search warrant. Always demand to see the warrant.

III. If unwillingly detained, demand to know if you are under arrest and under what charge.
IV. If under arrest, refuse to answer any questions and demand to see a lawyer. However, never trust your lawyer if he advises you to break any of these basic legal self-defense principles.

V. When questioned by law enforcement in an attempt which you believe is calculated to form evidence against you, silence is your best defense.

VI. Be silent, suppress the urge to tell your "side of the story."

VII. Never plead guilty and never waive any of your legal rights.

VIII. Never make any deals.

IX. Never betray your comrades or CREATIVITY.

X. Remember, nothing great is won without great sacrifices. Persecution and suffering are the inevitable obstacles on our path to victory. We must overcome them through dedication and perseverance. Let the great vision of a Whiter and Brighter World inspire and lead you through all trials, sufferings, and deprivations.

Further Organizational Structure – The Primary Group

The Primary Group is the basic organizational cell of the Church. A Church Primary Group

consists of a minimum of two Creators, an ideal of five Creators, and maximum of ten Creators. As to the question of why five Creators in each Primary Group is considered ideal, it should be noted that the whole purpose of a Primary Group is to be a closely-knit team, based upon familiarity, trust, and frequent interaction. Studies show that groups with more than five members tend to have less familiarity, trust, and interaction. Also, a smaller group is much harder to penetrate for enemy agents, which is a circumstance of great importance in case the Jewish Occupied Government (JOG) tries to suppress our rights to freedom of speech and force us to go underground.

Every Creator has both a right and a duty to organize a Church Primary Group by immediately converting at least one White person to our White Racial Religion – CREATIVITY or by joining with other members into a Primary Group.

As CREATIVITY recognizes the value of leadership at all levels, it will be necessary for a leader to be chosen for each Primary Group. Unlike Regional, State, County, and City Leaders as set forth above, the leader of each Primary Group will be selected not by one individual, but by members of the Primary Group themselves. While Ordained Ministers should certainly lead their own Primary Groups, it is not a requirement that each Primary Group have an Ordained Minister as its leader, and in fact, new members of the Church can and should begin right away to form their own Primary Groups, with it indeed foreseeable and acceptable that those Creators who form their own Primary Groups will be the leader of them.

Members of Primary Groups should be close enough to one another geographically so that meetings can be held to plan concerted activities at least every two weeks. Ideally, such meetings should be held every week. Meetings build camaraderie and an esprit de corps that is so necessary for effective, constructive activism for our great Creed and Church.

It is recommended that each Primary Group choose a name by which to distinguish itself from other Primary Groups. Choosing a name based on the geographical location of the Primary Group is advisable. For example, members can choose a name like "Church of the Creator Chicago" or "Primary Group II Western Suburbs, Springfield Church of the Creator" and the like.

The two essential requirements of all Primary Groups (in addition to that set forth above), of course, is that their activities are conducted in accordance with both our beloved Creed as well as with the contents of this book. Therefore, the Church Primary Group carries with it the ability to be flexible in its operations, tailor-making its operations to the conditions and people in its own area.

As exists in organizations, there are sometimes conflicts between members. As numerous Primary Groups have been and are being formed, there are bound to occur conflicts between members of them on occasion – personality clashes, differences of opinion concerning activities, etc. Such conflicts within the Primary Group can be resolved by each member of a Primary Group leaving it and forming a new Primary Group. It should be remembered once again that the Primary Group will be like a living cell. Cells divide, forming new cells, without the organism being weakened at all. In fact, without the cells dividing (replacing dying cells), the organism would soon cease to exist. Like all living cells, then, Church Primary Groups have to grow, divide, and multiply, yet remain within the same body –

CREATIVITY.

The flexibility inherent in this new organizational structure for our Church, in which members will be organizing themselves into small cohesive units, increases the strength of our Church outwardly, but perhaps even more important at this time, inwardly. It gives each of you, my Brothers and Sisters, a goal you can immediately begin work to attain: a small functional group of Creators with which to win our White Racial Comrades to CREATIVITY. New members can immediately begin to set out to convert a family member, friend, or associate to CREATIVITY and begin their Primary Group.

Each Primary Group should pool the resources of its members and arm itself with as many printed materials as possible, including membership applications, and copies of Nature's Eternal Religion and The White Man's Bible. Sell, loan, and give away as many of these materials as possible to our White Racial Comrades and consider welcoming those you convert to CREATIVITY and recruit into the Church to join you in your particular Primary Group. Each Primary Group should also obtain the Holy Flag of CREATIVITY which should be present at each meeting.

The Creator Wedding Ceremony

To be performed by Church Ministers

“Ladies and Gentlemen, my esteemed White Racial Comrades! We are gathered here today on one of life's most happy occasions. The institution of marriage bears a venerable tradition that goes back as far as civilization itself. It has, however, been the White Race in particular that has raised this important milestone in the life of a man and a woman to the high level of respect, significance, and dignity as has no other people in history.

“It is nevertheless significant to realize that marriage is not an invention of civilization as such, but a Creative instinct imbued by Nature itself, a natural manifestation of the mating instinct, the healthy Creative force inherent in all of Nature's creatures for the propagation and perpetuation of each species, and each to his and her own kind.

“Creativity is a religious creed that is firmly based on the Eternal Laws of Nature as revealed through science, history, logic, and common sense, most wholeheartedly bestows its full blessings on this happy event that we are witnessing today. Our Church not only encourages, but urges this fortunate couple, who have found each other, to be FRUITFUL AND CREATIVE, to fulfill their commitment to their Race and to destiny as Nature has instinctively ordained them to do.

“It is to this Natural estate that this man and woman now come forward to be joined. If there is any person present who can show just cause why they may not be joined together, let him or her speak, or forever hold their peace.

“We will proceed, if both of you have already made your mental and emotional commitments to yourselves and each other, to exchange your sacred vows in public, before Nature, before the gathering assembled today, and the world. The Bride and the Groom, would you please join hands.”

TO THE GROOM:

“Do you, White Racial Comrade (Victor), take this White Woman to be your lawfully wedded wife, your natural mate for life, and do you promise before these witnesses and before Nature, to love her, to comfort her, to honor her, and to defend her, to keep her in sickness and in health, in joy and in sorrow, forsaking all others, keep faithfully only unto her so long as you both shall live?”

The Groom answers: "I do."

TO THE BRIDE:

“Do you, White Racial Comrade (Gloria), take this White Man to be your lawfully wedded husband, your natural mate for life, and do you promise before Nature, to love, honor, and cherish him, to recognize him as head of the family, to keep him in sickness and in health, in joy and in sorrow, forsaking all others, keep faithfully unto him as long as you both shall live?”

The Bride answers: "I do."

The Minister shall now instruct the Groom to place the wedding ring on the third finger of the Bride's left hand. The Bride shall do likewise.

Each in turn repeats after the Minister:

“With this ring I thee wed, and as your Natural mate join with you in life's future journey.”

The Minister shall extend his right hand towards the couple and says:

“Inasmuch as these White Racial Comrades have, in the presence of Nature and these witnesses, consented together to be joined in the lawful bonds of sacred matrimony, and thereto have pledged each other their sacred vows, and declared such by the ritual exchange of rings, I now, therefore, in accordance with the authority vested in me as a Minister of Creativity, I pronounce you husband and wife. You may kiss the Bride.

“Whom Nature has joined together, let no man put asunder.

“And now, as you proceed to travel down life's exciting and fortuitous road together, as equal partners, yet each an individual with a unique and different role to play, remember your first loyalty: to each other, to your family, and above all to your own Race. May the Creative force be with you and stay with you. May you be fruitful and productive, and may happiness and prosperity be your constant companions for all the days of your lives. RAHOWA!”

The Minister should end the ceremony by extending his right hand forward (in the Roman style salute) and blessing the new couple with three RAHOWA! salutes. All present at the gathering may join in this salute to the new White couple.

“RAHOWA! RAHOWA! RAHOWA!”

The Creator Child Pledging Ceremony

To be performed by Church Ministers

After the birth of a White child, the parents should notify a Church Minister as soon as possible, or if a Church Minister knows of a birth in a White family, he should approach the parents to congratulate them and set up a date for the Ceremony of Pledging to Raise the Child Loyal to the White Race. The ceremony should be performed as soon as possible after the child's birth (ideally, within a week or two). If the parents' efforts in raising their child loyal to the White Race are successful, the child upon his or her 13th birthday will be allowed to participate in the Ceremony of Confirmation of Loyalty to the White Race.

When a date for the Pledging is agreed upon, the preparations should be made at a local Church temple or another appropriate place. The Church flag and literature should be displayed during the ceremony to create an atmosphere of purpose and dignity. The Minister should proceed as follows:

“Ladies and Gentlemen, my esteemed White Racial Comrades! We are gathered here today to welcome into our ranks a newly born White child, and to witness the solemn pledge of his (her) parents that they will do everything possible to bring up this White child in the spirit of loyalty to the White Race and Creativity, so that he (she) will be qualified, willing, and able on his (her) 13th birthday to participate in the Ceremony of Confirmation of Loyalty to the White Race.

“One of the most joyful occasions for the White Race is when the union of a White man and a White woman becomes fruitful and brings forth a White child – a new link in the golden chain of our Race stretching through space and time to eternity. The greatest Law of Nature is the survival, propagation, and perpetuation of your own species, in our case – the White Race. We Whites must be especially loyal to this Law of Nature, because failure to do so leads inevitably to mongrelization and extinction of our species – Nature's Finest. By following the instincts given to us by Nature, we Whites must marry only Whites, and not only perpetuate but also advance the White Race through our children by practicing the principles of Eugenics.

“Creativity is a religious creed that is firmly based on the Eternal Laws of Nature as revealed through science, history, logic, and common sense, congratulates the parents of this child for fulfilling the supremely important mission of White genetic procreation and for pledging to raise their child in the spirit of loyalty to the White Race.

“We will now proceed with the Pledging Ceremony. The Father and the Mother, would you please bring your little Creator forward.”

The parents should approach the Minister with the Mother carrying the Child. The Mother then gives the Child to the Father and says:

“(Father), introduce our Child to our White Racial Comrades.” The Father takes the Child, turns to the assembly, and says:

"Dear White Racial Comrades, I would like to introduce to you our Son (Daughter), who is the continuance of our Family, Race, and Creativity."

The Father then turns to the Minister and gives him the Child. The Minister takes the Child and says:

"On behalf of Creativity and our White Racial Comrades, I am pleased and honored to welcome this Child into the White Race and Creativity. Welcome (child) into our midst! We hope that your parents will raise you to be a loyal member of the White Race and Creativity."

While holding the Child, the Minister should proceed as follows:

"Will the Father of this Child raise his right hand and repeat after me the following Pledge:

"I pledge before these witnesses and before Nature to raise my Child as a loyal member of the White Race and Creativity.

"Will the Mother of this Child raise her right hand and repeat after me the following Pledge:
"I pledge before these witnesses and before Nature to raise my Child as a loyal member of the White Race and Creativity."

The Minister returns the Child to the Mother and addresses the assembly:

"Dear White Racial Comrades, let us give a Creative salute to our newest little Creator and his (her) Parents."

The Minister extends his right hand forward in the Roman style salute while saying:

"RAHOWA! RAHOWA! RAHOWA!"

All present may join in the salute.

The Ceremony of Confirmation of Loyalty to the White Race
To be performed by Church Ministers

In the weeks prior to their child's 13th birthday and after successfully raising that child to be loyal to their White Race, Creator parents should make arrangements with a Minister to perform this Ceremony of Confirmation of Loyalty to the White Race, this ceremony being performed on the child's 13th birthday.

As with the Child Pledging Ceremony, preparations should be made at a local Church temple or another appropriate place. The Church flag and literature should be displayed during the ceremony to create an atmosphere of purpose and dignity. The Minister should proceed as follows:

“Ladies and Gentlemen, my esteemed White Racial Comrades! We are gathered here today to hear the affirmation of loyalty to the White Race from our Brother (Sister) (Karl) on this, his (her) 13th birthday. We are here to witness his (her) solemn pledge to remain true to the White Race, whatever the circumstances, so long as he (she) shall live.

“Today, our Brother is no longer a child, but is beginning his road to adulthood and those responsibilities which this establishes. Creativity truly recognizes that it is the youth of today who will carry the torch forward which we carry today, and it is our design that this youth be even more fervent and steeped in our Creed than the generation at the helm today.

“Creativity is a religious creed that is firmly based on the Eternal Laws of Nature as revealed through science, history, logic, and common sense, furthermore congratulates the Parents of this young man (woman) for successfully raising him (her) to be loyal to the White Race. This is a momentous and vital achievement in the struggle for our people.

“We will now proceed with the Confirmation of Loyalty Ceremony. Brother (Sister), come forward.”

The young Creator, previously standing with his parents, should approach the Minister. The Minister should proceed as follows:
Please raise your right hand in the Creative salute and repeat after me the following pledge:

“I pledge before these witnesses, and before Nature, that I am loyal to the White Race, loyal to Creativity, and loyal to its Commandments, and will remain so, so long as I shall live.”

The Minister then addresses the assembly:
“Dear White Racial Comrades, let us too give a Creative salute to this young man and his parents!”

The Minister extends his right hand forward in the Roman style salute while saying:

“RAHOWA! RAHOWA! RAHOWA!”

All present may join in the salute.

The Saying of Goodbyes to our Departed Brethren

To be performed by Church Ministers

It is appropriate that our Church cover the full cycle of life from birth to death. We have our Child Pledging Ceremony, the Confirmation of Loyalty to the White Race (on our children's thirteenth birthday), the Creator Wedding Ceremony, and finally, the Saying of Goodbyes to our Departed Brethren. As we Creators know, death is part of life. It is the natural consequence of the gift of living that one day, we make way for others. The individual is a transitory being while the Race is eternal.

Regardless of our understanding of life and death, this understanding does not and probably cannot ease completely the sadness at the loss of a loved one. We Creators, after all, love life and love each other who make life more worthwhile. Therefore, the purpose of the Saying of Goodbyes for our Departed Brethren is to provide as much comfort and understanding as possible to our aggrieved comrades within the context of our Creativity Faith and adherence to Nature's Laws.

Decisions as to whether the departed comrade will be cremated, whether he will be embalmed, or whether there will even be a ceremony remains the decision of the next of kin. If, however, there is a ceremony, the following is an outline of the sermon of the Creativity Minister. It will naturally be necessary for the Creativity Minister to tailor his sermon to the details of our departed comrade's life similar to that routinely done by ministers of other faiths. All arrangements, in fact, should be made as is customarily done – arrangements made with the funeral home and arrangements made with the Creativity Minister. Our Holy Flag should be present at both visitation as well as graveside services.

“My Brothers and Sisters! We are here today to pay our respects and appreciation to our departed Brother Victor (Gloria).

“As Creators, we know that death is a part of life. It is the price that must be paid of all living creatures upon the face of the earth. There is thus no "sin" in dying any more than there is "sin" in living. Instead, all of us come into this world through the grace of Nature and make our way for the benefit of the generations following us, for if we did not die, life on this planet could not continue. Instead, while the individual must go, our Race must live.

“Our lives become eternal through both our works and through our children. We live on in the memories of those whom our lives have touched and live on through the children we have created. Our good Brother Victor, whom we have all esteemed and respected these many years, lives on in our memories and in his children and grandchildren who would not exist if it were not for him. Thus while it is sad to lose Brother Victor's physical presence amongst us, Brother Victor still lives! He remains in our hearts and minds and his progeny continue....

“And so on this day – a day of both sadness and understanding – there is still happiness in our hearts that Nature blessed all of us with Brother Victor these many years and that Brother Victor continues to live in all of us.... His Flag, our Holy Flag of Creativity, remains our Flag. Brother Victor struggled for victory of our Flag and our Victory will also be his.”

Turning to Brother Victor's body, the Minister extends his right hand forward in the Roman style salute while saying "RAHOWA Brother Victor!" Then, the Minister turns back towards the congregation saying

"RAHOWA! RAHOWA! RAHOWA!"

All present may join in the salute.

RAHOWA! This Planet is All Ours

Epilogue

In the face of the impending White genetic extinction, there is now a new consciousness bestirring the White Race throughout the White World. It is a realization of what CREATIVITY has been preaching since its very inception in 1973, namely that:

(a) we, the White People, are embroiled in a racial war for survival on this Planet Earth;

(b) all non-White races – niggers, muds and Jews – are our natural racial enemies in this fight for survival;

(c) the Jews are leading and orchestrating this ruthless war of genocide against the White Race;

(d) the Christian churches are their most ardent ally and most potent weapon in undermining the White Race; and

(e) a RACIAL HOLY WAR under the victorious flag of the one and only, true and revolutionary White Racial Religion – CREATIVITY – is the ONLY SALVATION for the White Race.

In the RAHOWA! concept we have embodied a creed, a philosophy and a fighting slogan for a program of action that can and must pull the White Race out of the dismal quagmire of Jewish domination and tyranny.

RAHOWA! In this one word we sum up the total goal and program of not only Creators, but of the total White Race, and it is this: We take up the challenge. We gird for total war against the Jews and the rest of the goddamned mud races of the world – politically, militantly, financially, morally and religiously. In fact, we regard it as the heart of our religious creed, and as the most sacred credo of all. We regard it as a holy war to the finish – a RACIAL HOLY WAR.

RAHOWA! is INEVITABLE. It is the ULTIMATE and ONLY solution. No longer can the mud races and the White Race live on the same planet and survive. It is now either them or us. We want to make damn sure it is we who survive. This Planet is from now on All Ours, and will be the one and only habitat for our future progeny for all time to come.

RAHOWA!

ABOUT THE AUTHOR:

Born of German-speaking parents in Russia in 1918, Ben Klassen and his family were early victims of the Communist terrors, from which they fled in 1924. He was brought up and educated in Canada, where he earned a degree in Electrical Engineering and also a Bachelor of Arts. He was a farmer, a school teacher, a hard rock nickel miner, an electrical engineer, inventor of the electric can opener, a realtor, and a Florida State Legislator in the United States of America.

His intense interest in the Laws of Nature, Race and Religion polarized into a new religion for the White Race, a task his wide and diverse background seemingly prepared him for over a lifetime.
